## **A SOCIETY OF NOMINAL STANDING AND ITS IMPERIAL OUTLOOK: COMPRISING AN IMPORTANT REVIEW IN LIGHT OF NATIONAL, COLONIAL, IMPERIAL AND INTERNATIONAL ASPECTS GENERALLY (CLASSIC REPRINT) (PAPERBACK)**

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Society of Nominal Standing and Its Imperial Outlook: Comprising an Important Review in Light of National, Colonial, Imperial and International Aspects Generally Our present purpose is to excite the interest of readers in a concrete aspect in regard to the Political, Social and Moral position, as this is seen to exist throughout the World, and especially in its relation and bearing to our Home and Imperial welfare. But as these particular elements do moreover inseparably combine in forming the National Fabric alike in regard to all Nations, we earnestly desire to engage a sustained attention throughout this brief review. These same leading elements are indeed so economically interwoven as not only and actually to be inseparable, but likewise and in reality incapable of sustaining any divided or separate existence or without regard to their complete alliance, so that it is insupportable in the why and wherefore they have, as it were, in conception become dissolved and in practice so apparently separated that we scarcely seem to imagine them working in unison together, while their essential equality in co-operative operation and purpose has also been lost sight of or forgotten, and notwithstanding that, they always do, of course, in literal fact, remain in one consistent and conjoining entity.
