

Welcome to Doomsday (Paperback)

By Bill McKibben

The New York Review of Books, Inc, United States, 2006. Paperback. Book Condition: New. 178 x 140 mm. Language: English . Brand New Book. The influence of the evangelical Christian right on the Bush administration has had a mostly unnoticed impact on America s environmental policy. While some take God s granting of dominion over the earth to man as a call to good stewardship of our planet, many evangelicals distrust science and disdain environmental protections. They live in anticipation of one event: the Rapture, when Christ will return to cleanse the earth while the true believers are transported to heaven. For those who believe that the Rapture and the destruction of the world are imminent, there is no need to be concerned about saving the planet from environmental catastrophe. Welcome to Doomsday is an investigation into the coupling of ideology and theology, in particular the intrusion of religion into political life, in America today. Global climate change is a rapid, possibly irreversible occurrence, yet the stance taken by the White House in both international and domestic arenas is one of both ignorance and disbelief. Appeasing the influential agendas of corporations, as well as the uncompromising dominant beliefs of evangelical...
