AND THE BEAT GOES ON (PAPERBACK)

Not Avail, United States, 2015. Paperback. Book Condition: New. 190 x 124 mm. Language: English . Brand New Book. And the Beat Goes On is a contemporary comedy, which examines the generational differences among children, parents and grandparents; these generational differences have always existed, but are they becoming more profound and potentially insurmountable as technology and social media become increasingly embedded in our regular routines and in our expectations of others? In addition to teaching his own children there, Frank welcomed (and continues to welcome) all children in the community who want to...
