It is just one of my personal favorite book. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

However, all outward seeking is a reflection of something far more important - the inner seeking of our soul. Our soul has an inner purpose that is common to every human being on the planet. This purpose has been given several names - the shift, spiritual change, awakening, enlightenment, unity consciousness and ascension. Knowingly or unknowingly, our inner spirit is on an expedition towards reconnecting with the universal consciousness or God-consciousness through awakening to the truth of its inner nature. When we consciously participate in this shift, we expedite this re-connection. The shift is a simple process, if we allow change to flow through us and if we are able to trust our heart. In Shifting to Tao in 8 Months, 81 Verses, 81 Simple Lessons, Losita Bhattacharya recounts her own spiritual journey that created a shift in her thoughts, her consciousness and her view of life.
