AIDS TRANSMISSION: CHALLENGES IN THE NEW MILLENNIUM

Kalpaz Publications/Gyan Books Pvt. Ltd., New Delhi, India, 2002. Hardcover. Book Condition: New. Dust Jacket Condition: New. HIV/AIDS is a fatal, sexually transmitted disease (STD). In many developing countries the HIV/AIDS epidemic is spreading rapidly. Because AIDS kills mostly prime-age adults, it increases the number of children who lose one or both parents; some of these orphans suffer permanent consequences, due to poor nutrition or withdrawal from school. Numbers cannot begin to capture the suffering caused by the disease. AIDS is not alone in causing human suffering, however especially in the developing world. This book presents a comprehensive accessible account of HIV/AIDS, its emergence, transmission, challenges raised by it, and preventive methods also. It will prove informative and ideal reference tool for all the concerne. Printed Pages: 318.
