Brand New Book ***** Print on Demand *****.Introducing The Year of Living Gratefully - a little book filled with big ideas on how to make your children more grateful We hear and read a lot these days about the sense of entitlement our children feel and exhibit. As parents, we all want the best for our kids, but we worry about them becoming selfish and self-centred. Author and single parent Sandra Tisiot shared that same concern about her eight-year-old son - and decided to do whatever she could to make her son more appreciative. And so began a year-long journey - The Year of Living Gratefully - that transformed her sometimes self-centred eight-year-old into a truly grateful, happier young boy. Learn how to dramatically improve your child s attitude and gratitude in less than five minutes a day In this easy-to-read book, you will discover how a busy working single mom made a remarkable transformation occur simply and naturally. Packed with helpful tips and key secrets, this book offers you a guide, through the story of one mother and child s personal experience, to a happier and more satisfying home environment. With this book, you will learn easy-to-implement ways to help your children become the thoughtful and appreciative young people you know they can - and want - to be.
