Brand New Book ***** Print on Demand *****.If you have picked this book and are drawn by its title, it is no accident - Be you believer in the One True God who created the universe or non-believer. I am not a pastor s or elder s kid; I am son of heathen parents. I am neither a conventional minister nor a theologian, though through intellectual discipline I qualify for a label of a scholar. This work is not a display of scholarly accomplishment but rather humble effort to communicate to our 7 billion plus neighbors within our beloved global village what they need most - the un-ignorable God. May be what others have said about the book you are holding may motivate you to also read it for a judgment decision for a better world now and forever. Believe me or not; reading and believing this message is your greatest investment to yourself and your family. May be, besides many who have read and reacted with reasonable response, you may have something positive, too, to say. Those who have read and communicated from around the world from different aspects of vocational living have said the book is: Best and unique expose of John 3:16 one can come across, amazing, most persuasive exposition of God s love, a master piece and a must read, an excellent book, a profound theology, a most profound book that has ever come across my desk, a great message, uniquely written like no other I have read, God has spoken through you, a very good book, encyclopedic, a sure blessing to a reader, wow! What a message! Makes one shed tears of joy, an answer to prayer, prompts one...
