Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Floris Books. Paperback. Book Condition: new. BRAND NEW, The Superpower Project, Paul Bristow, With the help of a wisecracking, steampunk robot, two accidental superheroes discover that they have inherited some amazing, if unusual, abilities. Computer whiz Megan can fly (mostly sleep-flying, but she's working on it) while her best friend Cameron can (in theory) transform into any animal, but mostly ends up as a were-hamster. Together they must protect the source of their ancestral powers from a wannabe evil mastermind and his gang of industrial transformer robots who've disguised themselves as modern art installations on their Greenock estate. It isn't easy to balance school and epic super-battles, not to mention finding time to search for other super-talents and train with their Mr Miyagi-esque were-tiger coach. Can Megan and Cam beat the bad guy, defeat his robot transformers and become the superheroes they were born to be? Kelpies Prize shortlisted author Paul Bristow creates a hilarious tongue-in-cheek superhero mash up with a dangerous twist!.
