

Flower Fairy Tales of the Language of Flowers

Filesize: 3.02 MB

Reviews

It is one of the best pdf. It is written in straightforward words and never difficult to understand. It has been designed in an extremely straightforward way and it is just following it after finishing reading this book through which basically modified me, affect the way I believe.

(Deonte Abbott III)

FLOWER FAIRY TALES OF THE LANGUAGE OF FLOWERS

earthly pursuits. Paperback. Book Condition: New. J. J. Grandville (illustrator). Paperback. 68 pages. Dimensions: 8.8in. x 5.8in. x 0.2in. Flower Fairy Tales of the Language of Flowers are taken from The Flowers Personified (1847), a strange, delightful book. It tells the stories of the flowers lives after The Flower Fairy allowed them to become human. The Flower Fairy was displeased that the flowers wanted to leave her to become human. Their tales, for the most part, are not happy. Volume I includes: The Flower Fairy-which tells why the flowers wanted to become human; How The Poet Jacobus Supposed He Had Found A Subject For An Epic Poem: A Summary Of Everything Which The Ancients And Moderns Have Written on the Language of Flowers, including a list of flower names in English, French and Latin with their meaning; and a bonus listing of alphabetical Flower Meanings. The Language of Flowers, an ancient language, is just as subject to misinterpretation and error as any other language. Different cultures have used it throughout history. Flowers and other plants were assigned meanings that people familiar with The Language of Flowers could read by knowing the sentiment symbolized by the plant. The combination of flowers in a bouquet and the way they were worn or given to each other held meaning. Hours of the day (Floras Clock), days of the week (The Floral Week) and the months of the year (The Calendar of Flora) were also assigned a flower meaning. Coded messages could be exchanged and secret meetings arranged, if you knew the language. There are many Language of Flowers dictionaries and they do not all agree on what each flower means. A great resource for baby names, pet names, character names and web IDs. This item ships from multiple locations. Your book may arrive from...
