If you landed on any planet and wanted to know the baseline of their civilization, how far they had developed and what were their values, you would pick out the most advanced nation and focus on what appears to be their major social accomplishment. I did this for the earth, even though I was spawned here myself according to documents, apparently authentic, in my possession. The baseline for this planet is Auschwitz. That tells you everything you need to know about the level of the civilization here: high technology, no values of any kind or description. Nothing has changed. Everything reverts to Auschwitz when pressure of events reach a critical mass. Two philosophers explained what the problem is. What we call "civilization" is a fraud, said Nietzsche. And men are simply incompatible with any kind of civilization, said Epicurus. Friedrich Nietzsche: "The very essence of all civilization is to train out of man the beast of prey, (to make) a tame and civilized animal, a domesticated animal. . These bearers of vindictive instincts that have to be bottled up. . These people, I say, represent the decline of humanity! These tools of civilization are a disgrace to humanity, and constitute an argument against civilization, more of a reason why civilization should be suspected." Epicurus: "Man is not by nature adapted for living in civic communities and in civilization." Who is compatible? Women. They invented civilization, bringing us from the caves singlehandedly to an advanced, organized society, namely Egypt, without violence. They were pushed aside by men because they are bigger. These had a better idea, bash the next...
